

Make Your Own FOOTBALL SNACK PACK

Supplies:

- String or yarn

2. Color both football pictures
(Just for fun, make it the same colors as your favorite team)
3. Line up the two pictures back-to-back and cut out by following the dotted line
(A trick to keep them lined up while cutting is to tape the two sheets of paper together)
4. Using a hole punch, punch out the dotted circles
5. Sew the two pieces together by weaving your string in and out of the holes punched, creating a knot at the beginning and end.
6. The top is left open to fill with your favorite football snack, like popcorn!
