

## Make your Own Silly Egg Carton Ant

### Supplies:

- Empty egg carton cut into sections
- Black paint, or whatever color you'd like to paint ant.
- Scissors
- Glue
- Pipe cleaners

### Directions:

- Glue 3 egg carton sections together, allow to dry.
- Color and cut out a silly ant face from this paper.
- Paint your egg carton or ants body color of your choice, allow to dry.
- Cut holes on sides of egg cartons and stick pipe cleaners through as legs.
- Glue your silly face to the front egg carton to create your silly ant.
