

SILLY FRUIT STICKS

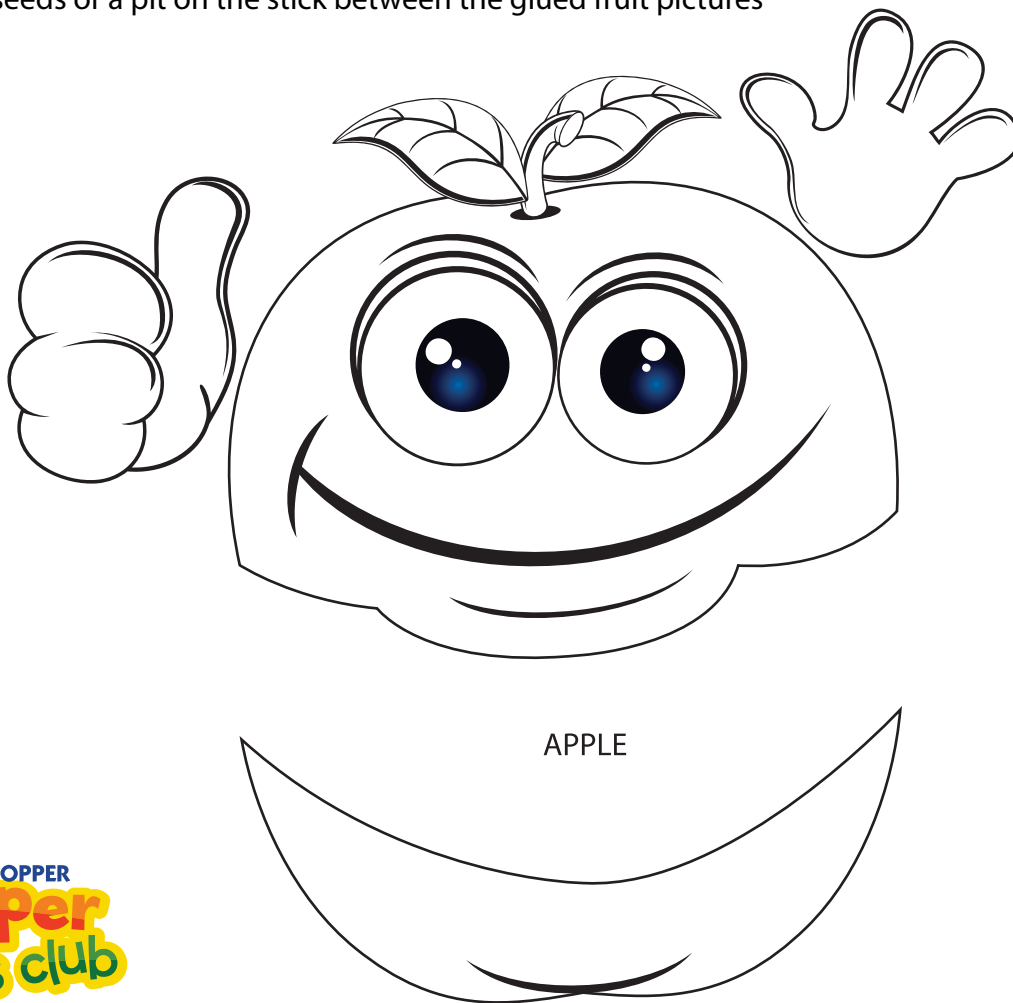

Cut, color and craft your own silly fruit sticks for sweet summer fun!

MATERIALS:

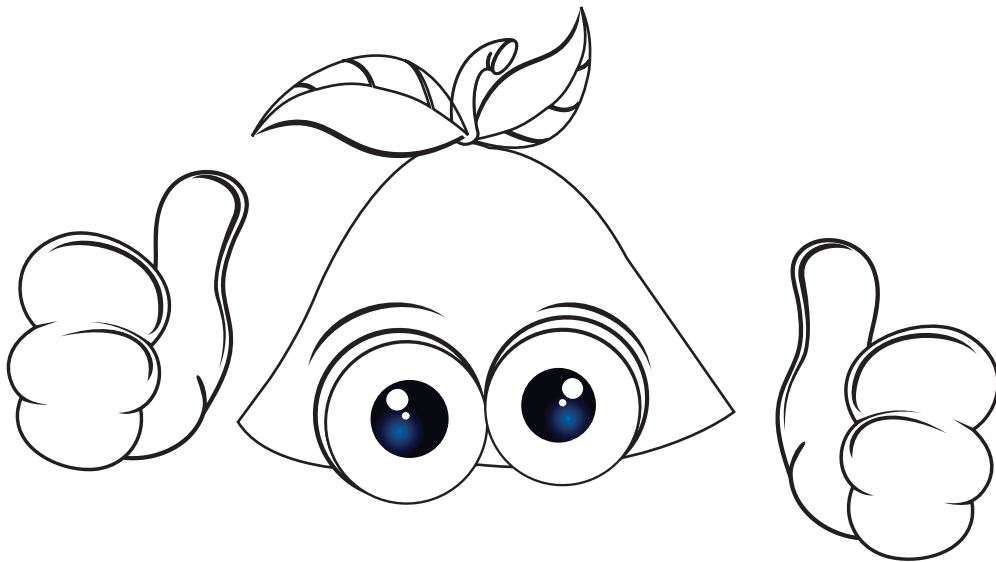

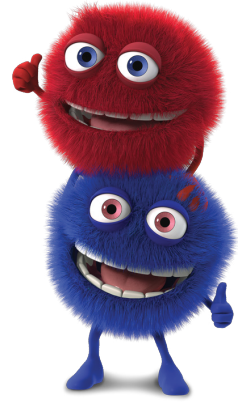

PAPER
PRINTER
CRAYONS OR MARKERS
CRAFT STICKS
TAPE
GLUE AND SCISSORS

DIRECTIONS:

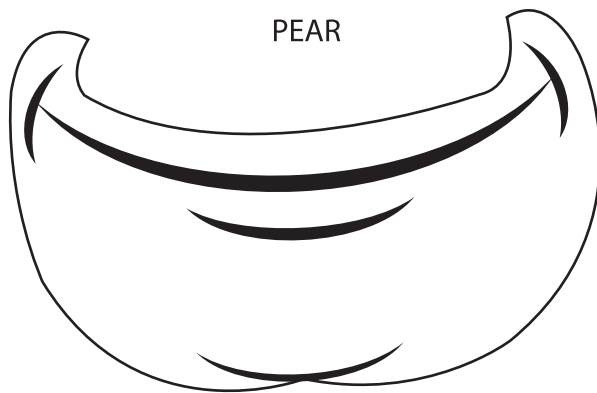

1. Take 3 craft sticks and trim 2 of them by cutting off the bottom third
2. Lay side-by-side with the longest in the middle as a handle
3. Use your trimmed pieces for support by tapping or gluing perpendicular to the vertical sticks
4. Print the pages, color in then cut out the silly fruit pictures
5. Glue one half of the colored fruit sticks to the top and the other half to the bottom, to cover the shorter sticks
6. Draw the seeds or a pit on the stick between the glued fruit pictures
