

Flower Panels!

Use household items to make floral art.

What you'll need:

- Cardboard (old boxes work great!)
- Scissors
- Scotch tape
- Plastic wrap
- Flowers

- 1 Cut frames from cardboard/old cardboard boxes with scissors.

Cover with plastic wrap the side of the frame that will be the back of the frame as shown in image 1.

Fasten with scotch tape.

Arrange the flowers.

- 2 Cover once again with plastic wrap. Use scotch tape to fasten the flowers. See image 2.

You can either color the frames or leave them as is!
